

What a Wonderful World

Rod Stewart

I see trees of green, red roses too
I see them bloom for me and you
And I think to myself, what a wonderful world! I see skies of blue and clouds of white
The bright blessed day and the dark sacred night
And I think to myself, what a wonderful world! The colors of the rainbow, so pretty in the sky
Are also on the faces of people goin' by
I see friends shakin' hands, sayin', "How do you do?"
They're really sayin', "I love you" I hear babies cryin', I watch them grow
They'll learn much more than I'll ever know
And I think to myself, what a wonderful world! The colors of the rainbow, so pretty in the sky
Are also on the faces of all the people goin' by
I see friends shakin' hands, sayin', "How do you do?"
They're really sayin', "I love you" I heard my babies cryin' and I watch them grow
They'll learn much more than I've ever, ever known
And I think to myself, it's a wonderful world! I think to myself, what a wonderful world!
What a wonderful world!
And I think to myself, what a wonderful world!
