

# Crazy (Incl Glen Ballard Mix)

Alanis Morissette

In a church, by the face,  
He talks about the people going under. Only child know  
A man decides after seventy years,  
That what he goes there for, is to unlock the door.  
While those around him criticize and sleep  
And through a fractal on a breaking wall,  
I see you, my friend, and touch your face again.  
Miracles will happen as we trip. But we're never gonna survive, unless  
We get a little crazy  
No we're never gonna survive, unless  
We are a little Crazy yellow people walking through my head.  
One of them's got a gun, to shoot the other one.  
And yet together they were friends at school  
Oh, get it, get it, get it, get it no no! If all were there when we first took the pill,  
Then maybe, then maybe, then maybe, then maybe  
Miracles will happen as we speak. But we're never gonna survive unless  
We get a little crazy.  
No we're never gonna survive unless  
We are a little  
Crazy  
No no, never survive, unless we get a little bit In a sky full of people, only some want to fly,  
Isn't that crazy? In a world full of people, only some want to fly,  
Isn't that crazy? Crazy In a heaven of people there's only some want to fly,  
Ain't that crazy? Oh babe Oh darlin' In a world full of people there's only some want to fly,  
Ain't that crazy?  
Crazy crazy crazy Oh  
But we're never gonna survive unless, we get a little crazy  
No we're never gonna to survive unless we are a little crazy  
But we're never gonna survive unless, we get a little crazy  
No we're never gonna to survive unless, we are a little crazy  
No no, never survive unless, we get a little bit And then you see things  
The size of which you've never known before They'll break it Someday Only child know. Them things  
The size of which you've never known before Someday  
Someway
