

Twang Bar King

Adrian Belew

Well, maybe you're thinkin' I'm outasight
'Cause I know you saw me kickin' at the gig last night
 Maybe, baby, that's why they call
 Twang bar kingRip bash smash, burn up a fret
 I can keep it in tune and nearly beat it to death
 Yes, baby baby, that's why they call me
 Twang bar kingWell I can bash smash beat rip tear out the guts
 Burn it up and make it scream
 Yeah, yeah, yeahOoohhh, listen, baby
 I ain't braggin' but I'm the twang bar king
 Twang bar
 King
