Changing Of The Guard

The Style Council

Changes of clothes and summer showers
Like changing the guard it only lasts for hours,
Wondering what and where did it go
Crying over nothing worth crying for
Once in a while, I still think about,
The smile on your face girl, the first time around,
I'm wondering what and who your doing it with
Crying over nothing, worth crying for, stillJust now and then, I still get it,
That same old feeling, I can't forget it
Wondering why and where did I go
Trying not to let them get to me soOnce in a while I just can't help it
It's that same old feeling and how I regret it,
Wondering why, I miss you so,
Crying over nothing worth it allBaby please, if there's a chance,
Let's throw out the past and get something back,
I'm wondering why, did we part at all
Crying over nothing worth crying for,
Crying over nothing worth crying for,
Crying over nothing worth crying for.
