Lindsay Lohan

Speak love speak straight speak your heart go go go goEverybody's got a point of view  
And the right to their own opinion  
So don't be scared of what I'm gonna do  
When you let me know your intuitionSo what makes you think  
That I won't get it  
So what makes you think that  
I won't get your love tonight[Chorus:]  
Speak come and let it out  
Give it to me  
You know that I can take it  
Speak because the more you say the more I'm at ease  
Come on don't keep me waiting now  
I don't want to guess, not a test tell me what your thinking  
Keep it real, no big deal  
Tell me what your dreaming
