8Ball

Ya, full of all kinda drugs high is just a rap pussy
Nigga betta not get too close nigga betta not try to push me
We got them thangs I mean them thangs that go bang bang
Don't give a fuck who you is, don't give a fuck if you got some change
Take yo niggas, take yo watch, and take
yo diamond ring, way back
In the game when the niggas used to have to sell rock cocaine
Right now today, I'ma grab the mic and bring the pain
Go fuckin' insane, everything I say goes straight to yo brain
Lil' Jon on the beat 'bout to tear this bitch up out
the frame
You betta leave if you think you just a little lame
Chuck yo chain don't get caught when this song here come on
Look at my face thats gon' tell y'all niggas somethin' wrong
I heard you niggas don't like me, like me
I know you boys wanna fight me, fight me
I know where yo kids and yo wife be, wife be
Bust a nigga head to the white meat, white meat
I heard you niggas don't like me, like me
I know you boys wanna fight me, fight me
I know where yo kids and yo wife be, wife be
Bust a nigga head to the white meat, white meat
Real killas jump niggas loud mouth, rough niggas
Can't stay outta handcuff, niggas ain't enough
Niggas toughen up, niggas some are artillery specialist
Never the fuckin' less I get pimpin' naturally
Everly's comin' up out of regions where muhfuckas is needin'

To speak for 'em prentendin' to see for 'em
I've ran the street with 'em concrete to feet
With 'em I made them hoes pick up I made them go
Stick them pimp tight MJ fuckin' G 'em
Luckily married to this .45 under my fuckin' seat
Talkin' bullet pistol solid shootin' never shook me
You boys can't hook me, listen to what the hook be
I heard you niggas don't like me, like me
I know you boys wanna fight me, fight me
I know where yo kids and yo wife be, wife be
Bust a nigga head to the white meat, white meat
I heard you niggas don't like me, like me
I know you boys wanna fight me, fight me
I know where yo kids and yo wife be, wife be
