Rag Doll Sounds

Laying down on the grass this girl comes and asks if she can sit down next to me
I said be my guest, sit dow, lay down, look at the clouds with me.

Thanks, hey, what is your name? I donâ€™t usually lay on the grass with strangers
(My name is Rochelle)
Nice to meet you Iâ€™m Ginger I like to sit on the grass, hot days and drinking Iced tea.

[Coro]
La la la la ooh! (x4)

All the sudden she grabbed my hand and the she said â€œhey I think youâ€™re prettyâ€•
I said â€œYour shirtâ€™s niceâ€•. How lame did that sound? I canâ€™t believe that cameo ut of me.

Now her mouthâ€™s on my mouth, sheâ€™s grabbing me hard, Iâ€™m pulling her hair.
The best kiss of my life was given to me by this girl named Rochelle.
Now I cant let go of her sheâ€™s so cute I think I love her.
La la la la la la la la la la la la.
