## Dopetrackz

Loud Packz Smokin' Thrax  
Loud Packz Smokin' Thrax  
Loud Packz Smokin' Thrax  
Loud Packz Smokin' Thrax on deck  
Smokin' on that killa  
Cigarello Shawty  
Burnin' on my swisha  
Thrax got me stuck  
like some thumbtacks  
Smokin' Milwaukee Buck  
Straight from Scumbag  
That b\*tch hit harder  
than Anderson Silva  
You got that cash?  
My dawgz'll serve you like subpoenas  
I'm on that high grade  
Four point "O"  
You want that thrax?  
Make that second right pass Texaco  
Take a whiff of this'll  
have you with the funny face  
rollin' bluntz  
thicker than Nicki Minaj waist  
Getcha gas mask  
thrax straight from Afghan  
Have you flyin'  
like a Taliban  
Like Alladin man  
Up in smoke like the Genie  
Burnin' on the best thrax  
Smokin' in the city  
Smokin' B.I.G  
like them boys that shot Chris Wallace  
Getcha roll on  
I'm bout to spark thisLoud Packz Smokin' Thrax  
Loud Packz Smokin' Thrax  
Loud Packz Smokin' Thrax  
Loud Packz Smokin' ThraxJedi kush got my mind  
flyin' on a jet

destination  
I don't even know yet  
    that b\*tch louder  
than a Flocka Flame ad lib  
    Smoke it every day  
    B\*tch that's my habit  
        on that pressure  
        got me on cloud twelve  
        if you ain't smokin' this  
            kill yo self  
            with a shotgun  
            straight to the lungs  
            eyes chinky  
        lookin' like Shang Tsung  
    Soon as my dawg smelled the loud  
    he was like "damn Son" (daaaaaammnnn)  
        Where did you find this?  
    Man I got to grab some (yeeeahhh)  
        Make that second turn  
        before Sunoco (okay)  
        Holla at my Chico  
        What up doe? (what up doe?)  
    We smokin' loud packz (Loud?)  
        stay jokin' thrax (thrax?)  
        poppin' bottles blowin' money  
        ain't learn how to act (fa sho)  
        All in the club  
        blowin' louder than a speaker
