

Junker's Blues

Willy DeVille

My, my

I'm sick as I could be

Some people call me a junker

'Cause I'm loaded all the time

I just feel happy

And I feel good all the time

Some people say I use a needle

And some say I sniff cocaine

But that's the best old feelin'

That I'd ever seen

Say, good-bye, good-bye to whiskey

Lord, and so long to gin

I just want my refer

I just wanna feel high, again

Oh yeah, I'm a junker!

I feel alright

Some people, some people

Crave for chicken

And some crave for porterhouse steak

But when I get loaded

Lord, I won't want my milk and cake

Oh yeah, that's all I want, now

They call me a junker'

'Cause I'm loaded all the time

But that mean nothin' if I feel good all the time.
