

# Never to Know

[Lene Marlin](#)

Did you know,  
hidden by his clothes there are some scars  
Some are recent,  
some have been there for years  
Did you know  
It doesn't even hurt  
It never really hurts, but there are tears  
Do you want the real story,  
or do you prefer the lie  
Do you want to see him smile,  
or maybe see him cry  
Do you want to follow,  
or let him go alone  
For then, never to know... never to know  
Have you seen the way he acts sometimes  
And when you ask,  
he'll say that he's okay.  
Have you seen how well he pretends  
Laughs out loud,  
before he looks away  
Do you want the real story,  
or do you prefer the lie  
Do you want to see him smile,  
or maybe see him cry  
Do you want to follow,  
or let him go alone  
For then, never to know... never to know
