

Letting Go

Bread of Stone

Lord I come before You now
To worship You to worship You
I lay aside the obvious
Everyday mundane concerns

Forgive me when I pretend
That I donâ€™t need You here
When everything inside of me
Is reaching for Your hand

CHORUS:

Iâ€™m letting go of my pride
Iâ€™m letting go of me
Iâ€™m letting go of my life
I lay it at Your feet
Iâ€™m falling down Iâ€™m falling
Iâ€™m falling at Your feet Lord
Iâ€™m falling down Iâ€™m falling
At Your feet and Iâ€™m letting go

I want to live a life of truth
To honor You to honor You
And everyday a life renewed
Rearranged Iâ€™m not the same
