## **Sunny Day Real Estate**

Hold me the sign, rise and shine
Strange promenade with eyes closed
I thought I'd write the book of climbingI'm trying alone while my eyes
I now you're coming back
I can climb without you
I spoke bad poetryThe wrong way, you said
Lay down in my hands
Where promises will never breakBut I've lived through lay down my life's broken
My lips feel incomplete without love
So I go on and set my life before you, ohI'm lost in you open my eyes
You set me free, won't lift me up
You held me, I'm lost in you
You're Jesus
