

Honky Tonk Women

Elton John

She's a honky tonk woman
Give me, give me, give me the honky tonk blues
She's a honky tonk woman
Give me, give me, give me the honky tonk bluesI met a gin soaked, bar room queen in Memphis
She tried to take me upstairs for a ride
She tried to heave me right across her shoulder
And I just can't seem to drink her off my mindShe's a honky tonk woman
Give me, give me, give me the honky tonk blues
She's a honky tonk woman
Give me, give me, give me the honky tonk bluesI laid a divorcee, right here, in New York City
I had to put up some kind of a fight
The lady then, ooh, she covered me in roses
Well, she blew my nose and then she blew my mindShe's a honky tonk woman
Give me, give me, give me the honky tonk blues
She's a honky tonk woman
Give me, give me, give me the honky tonk blues, all rightShe's a honky tonk woman
Give me, give me, give me the honky tonk blues
She's a honky tonk woman
Give me, give me, give me the honky tonk bluesShe's a honky tonk woman
Give me, give me, give me the honky tonk blues
She's a honky tonk woman
Give me, give me, give me the honky tonk bluesYeah, yeah
