Let Me Go

Seether

Your insecurity
can make me feel so helpless
feel like letting go
Your insincerity
it makes a world of difference
You will never knowAnother voiced rejection
Throw it at me
Please just let me go
Another selfish reason
Throw it at me
Please just let me goIt's all too much for me
I cannot hide the sickness you bring on in me
Free of sympathy
You'll never know how it hurts
You will never knowAnother voiced rejection
Throw it at me
Please just let me go
Another selfish reason
Throw it at me
Please just let me go
