

Sista Sista (Acoustic Version)

Karyn White

Come on and wake up, sisters,
'cause ain't nobody tripping about what you got on.
See, I should have your back and you should have mine
We've been fighting for too long, don't you think it's time? Sista, sista,
Oh, sister,
Sisters, can you hear me?
Being new from the same lie
And ain't how it should be.
Sister, sister,
Sisters, can you hear me?
Being new from the same lie
And ain't how it should be.
The same man that cheated on you
You know, it cheated on me, too,
But instead of checking him,
Well, you know what we'll do.
It's all to the good, good,
When you know that you should.
But ain't it such a shame how we take the blame? Sista, sista,
Sisters, can you hear me?
Being new from the same lie
And ain't how it should be.
Sister, sister,
Sisters, can you hear me?
Being new from the same lie
And ain't how it should be. Hand in hand, we've got the power than the strongest man
Let's get together, do you think, do you think we can?
Come on, sister, come on sister, sister, sister.
Sisters, do you hear me?
I'm talking to the sisters,
Do you hear me? Do you feel me?
Sisters, do you hear me?
Come on and wake up, sisters,
Sisters, do you hear me?
We've been fighting for too long. 'cause I know you know what I'm talking about
And you know I know what I'm talking about.
Sisters, can I hear the winners?
Ain't nobody tripping about what you got.
'cause we can take all together.

Sisters, do you hear me?
