

Is Nothing Sacred

Neal E. Boyd

If a love as strong as ours couldn't make it all the way
Can anything make sense at all?
If a love so deep and true couldn't stand the test of time
Then Mount Everest could slide and Jerusalem could fall
Is nothing sacred anymore? Is forever just another
word?
Is a promise something people used to keep?
When love was worth fighting for, if we can say goodbye
If we can say goodbye, is nothing sacred anymore?
I can hear the final words, every sentence that was said
Don't know what turned our lives around
It doesn't matter who was right, there's no justice in a dream
Never thought a heart could break without making any sound
Is nothing sacred anymore? Is forever just another
word?
Is a promise something people used to keep?
When love was worth fighting for, if we can say goodbye
If we can say goodbye, is nothing sacred anymore?
Our love was as certain as the dawn
As solid and safe as any love could be
Our love was a star you wish upon
And you thought that I'd save you
Could've sworn that you save me
Is nothing sacred anymore? Is forever just another word?
Is a promise something people used to keep?
When love was worth fighting for, if we can say goodbye
If we can say goodbye, is nothing sacred anymore?
Is nothing sacred anymore?
