Eternity

Lizz Wright

Something about you really moves me
You found the waterfalls the treasures in me
What is the gift that you possess?
What is this strange happiness?I will find the answer
And if the answer is you, my love
I'll have to have you for eternity
I'll have to have youSomething in your voice
Something in your eyes
I don't feel so lost
And I don't have to hideSomething has set me free
And I don't mind that I can't explain
I just choose to believe
That you have something to do with itAnd I'll find the answer
And if the answer is you, my love
I'll have to have you for eternity
I'll have to have youI'll have to have you for eternity
I'll have to have you
