

Big Time (Discomendments Re-Touch)

Peter Gabriel

I'm on my way, I'm making it
I've got to make it show, yeah
So much larger than life
I'm going to watch it growing The place where I come from is a small town
They think so small
They use small words
But not me
I'm smarter than that
I worked it out
I've been stretching my mouth
To let those big words come right out I've had enough, I'm getting out
To the city, the big big city
I'll be a big noise with all the big boys
There's so much stuff I will own
And I will pray to a big god
As I kneel in the big church Big time
I'm on my way-I'm making it
Big time big time
I've got to make it show yeah
Big time big time
So much larger than life
Big time
I'm going to watch it growing
Big time My parties all have big names
And I greet them with the widest smile
Tell them how my life is one big adventure
And always they're amazed
When I show them 'round my house, to my bed
I had it made like a mountain range
With a snow-white pillow for my big fat head
And my heaven will be a big heaven
And I will walk through the front door Big time
I'm on my way-I'm making it
Big time big time
I've got to make it show-yeah
Big time big time
So much larger than life
I'm going to watch it growing
Big time big time

My car is getting bigger
Big time
My house is getting bigger
Big time
My eyes are getting bigger
Big time
And my mouth
Big time
My belly is getting bigger
Big time
And my bank account
Big time
Look at my circumstance
Big time
And the bulge in my big big big big big big big
