

Look Over There

[Michael Feinstein](#)

How often is someone concerned with the tiniest thread of your life?

Concerned with whatever you feel and whatever you talked

Look over there, look over there, somebody cares that much
How often does somebody sense that you need them
without being told?

When you have a hurt in your heart you're too proud to disclose

Look over there, look over there, somebody always knows
When your world's spins too fast and your bubble has
burst

Someone puts himself last so that you can come first
So count all the loves who will love you from now till the
end of your life

And when you have added the loves who have loved you before

Look over there, look over there, somebody loves you more
