

Bump It (feat. Zap Mama & Karon Wheeler)

Erykah Badu

Phat beats
Phat drums
Phat beats
Phat beats
Stick 'em
Ah, ah, ah, ah Push up the fader
Bust the meter
Shake the tweeter
Bump it, well well well
Bump it, well well
Push up the fader
Bust the meter
Shake the tweeter
Bump it, well well well
Bump it, well well
Push up the fader
Bust the meter
Shake the tweeter
Bump it, well well well
Bump it, well well
Push up the fader
Bust the meter
Shake the tweeter
Bump it, well well well
Bump it, well well
Push up the fader
Bust the meter
Shake the tweeter
Bump it, well well well
Bump it, well well You know I love it when they play my beat real loud
Because it moves the band and then it moves the crowd
You know I love it when they play my sh-t sky high
It puts me in a daze And oh
Ooh baby before you bump it
Won't you shake it just a little for me
Oh
Wait a minute for you buss it
Won't you roll a lickle something for me
And oh
Ooh baby before you bump it
Won't you shake it just a little for me
Oh
Wait a minute for you bump it
Won't you shake it for me, shake it for me Push up the fader

Bust the meter
Shake the tweeter
Bump it well well well
Bump it well well You know I love it when they play my beat real loud
Because it moves the band and then it moves the crowd
You know I love it when they play my sh-t sky high, high, high, high Oh
Ooh baby before you bump it
Can you roll a lickle for me
Oh
Wait a minute for you buss it
Won't you shake it just little for me
And oh
Ooh baby before you bump it
Can roll a lickle something for me
Oh
Wait a minute for you bump it
Won't you shake it for me, shake it for me Push up the fader
Bust the meter
Shake the tweeter
Bump it, well well well
Bump it, well well
