Pick It Up and Dial It

Sloan

(C. MurphySloan)People people
This is a poll
Are you one of the ones who went and
Gave up on rock and rollPeople people
Do you know what I mean?
If you think you do then
Call the number on the screen nowPick it up - Pick it up and dial itPeople people
Pick up the phone
Theres a lot of work to do and
I cant do it alonePeople people
I'm losing steam
So if no one answers when you call
Leave it on the machine butPick it up - Pick it up and dial itPeople people
Where did you go?
You've been gone so long and
There's no one here that I knowPeople people
It's up to you
They say rock and roll is dead again
You tell me if it's truePick it up - Pick it up and dial it
