

Never Let This Go

Paramore

Maybe if my heart stops beating
It won't hurt this much
And never will I have to answer
Again to anyone Please don't get me wrong Because I'll never let this go
But I can't find the words to tell you
I don't want to be alone
But now I feel like I don't know you One day you'll get sick of
Saying that everything's alright
And by then I'm sure I'll be pretending
Just like I am tonight Please don't get me wrong Because I'll never let this go
But I can't find the words to tell you
I don't want to be alone
But now I feel like I don't know you Let this go, let this go But I'll never let this go
But I can't find the words to tell you
I don't want to be alone
But now I feel like I don't know you I'll never let this go
I can't find the words to tell you
That now I feel like I don't know you
