Paper Cuts

Joni Fuller

Paper cuts and open wounds, they all began because of you
But I dont blame you
Friends come round to sympathize and over-analyze but
So simple somehowSomeone always has to take the blame
Turning out this fading light with no shame
But after all the roses fall
Remember, to look awayPaper chains and empty rooms, another lonely afternoon
I see you smiling
Out of the corner of my eye, the dark is closing in
But I still dont know whyHear me out
I have become, so much more than I ever was
With you
Im just beginning
Dont waste your promises, let them go
Just let me go...
