

# The Way

## Ariana Grande

I love the way you make me feel

I love it, I love it

I love the way you make me feel

I love it, I love it

Mac Miller:

I say

I'm thinkin' 'bout her every second, every hour

Do my singin' in the shower

Pickin' petals off of flowers like

'Do she love me, do she love me not??(love me not)

I ain't a player, I just crush alot (crush alot)

Ariana Grande:

You give me that kind of somethin'

Want it all the time, need it everyday

On a scale of one to ten I'm at a hundred

Never get enough, I can't stay away

If you want it, I got it, I got it everyday

You can get whatever you need from me

Stay by your side, I'll never leave you

And I ain't going nowhere 'cause you're a keeper

So don't you worry, baby you got me

I got it bad boy, I must admit it

You got my heart, don't know how you did it

And I don't care who sees it babe

I don't want to hide the way I feel when you're next to me

Chorus:

I love the way, I love the way

Baby I love the way, ooh I love the way

The way I love you

Ooh it's so crazy you get my heart jumpin'

When you put your lips on mine

And honey it ain't a question (q- question)

Cause boy I know just what you like

Pre-chorus:

So if you need it, I got it, I got it everyday

Be your lover and friend, you'll find it all in me

Stay by your side, I'll never leave you

And I ain't going nowhere 'cause you're a keeper

So don't you worry, baby you got me  
I got it bad boy, I must admit it  
You got my heart, don't know how you did it  
And I don't care who sees it babe  
I don't want to hide the way I feel when you're next to me

Chorus:

I love the way, I love the way  
Baby I love the way, ooh I love the way  
The way I love you

Mac Miller:

Uh, uh

I make you feel so fine, make you feel so fine  
I hope you hit me on my celly when I sneak in your mind  
You a princess to the public but a freak when it's time  
Said your bed be feeling lonely so you sleepin' in mine  
Come and watch a movie with me  
American Beauty or Bruce Almighty, that's groovy  
Just come and move closer to me  
I got some feelings for you I'm not gonna get bored of  
But baby you an adventure so let me come and explore you

Pre-chorus:

So don't you worry, baby you got me  
I got it bad boy, I must admit it  
You got my heart, don't know how you did it  
And I don't care who sees it babe  
I don't want to hide the way I feel when you're next to me

Chorus:

I love the way, I love the way  
Baby I love the way, ooh I love the way  
I love the way, I love the way  
baby I love the way, ooh i love the way  
The way I love you  
The way I love you, you, you  
Yeah, the way  
I love the way you make me feel  
I love it, I love it  
I love the way you make me feel  
I love it, the way I love you
