Hole In My Wall

Warrant

Through the hole in my wall I see into your head
A beggars day banquet on a four poster bed
It's food for the eyes, it's drink for the soul
The hole in my wall, I can't let myself go
I'm spinnin' 'round and 'round
('Round and 'round and 'round)
Don't let me down
(Ooo, I groove)
Through the hole in my wall
(Love the view)
Through the hole in my wall
(Velvet blue)
Through the hole in my wall
(I see you)
Through the hole in my wall
The hole in my wall, lets in the sound
Of bodies and sweat, and merry-go-rounds
The hole in my wall, is better than sex
An X-rated Disneyland, grooving T-Rex
Hmm, I'm spinnin' 'round and 'round
('Round and 'round and 'round)
Don't let me down
(Ooo, I groove)
Through the hole in my wall
(Love the view)
Through the hole in my wall
(Velvet blue)
Through the hole in my wall
(I see you)
Through the hole in my wall
Bigger
I'm spinnin' 'round and 'round
('Round and 'round and 'round)
Don't let me down
(Ooo, I groove)
Through the hole in my wall
(Love the view)
Through the hole in my wall
(Velvet blue)

Through the hole in my wall
(I see you)
Through the hole in my wall
Through the hole in my wall
