MONGOOSE (LIVE)

Fu Manchu

Look inside, day started right
A back road in a dirt town lives all timeThe mongoose flies
The mongoose flies
The mongoose flies
The mongoose fliesRemoved from the times
Event for the eyes
Mid day they gathered one by one
All timeThe story lies behind
The mongoose flies on by
Out on the street they ride
The mongoose flies on bySlowly turns signals high
What happens next, all timeThe story lies behind
The mongoose flies on by
Out on the street they ride
The mongoose flies on byThe story lies behind
The mongoose flies on by
Out on the street they rideLook inside, day started right
A back road in a dirt town lives all timeThe story lies behind
The mongoose flies on by
Out on the street they ride
The mongoose flies on byThe story lies behind
The mongoose flies on by
Out on the street they ride
The mongoose flies on by
