Dakota (Decade In The Sun Version)

Stereophonics

Thinkin' 'bout thinkin' of you

Summertime think it was June

Yeah, I think it was June

Layin' back head on the grass

Chewing gum havin' some laughs

Yeah, havin' some laughsYou make me feel like the one

Make me feel like the one

The oneDrinkin' by drinkin' for two

Drinkin' with you

When drinkin' was new

Sleepin' in the back of my car

We never went far

We didn't need to go farYou make me feel like the one

Make me feel like the one

The one

You make me feel like the one

Make me feel like the one

The oneI don't know where we are going now

I don't know where we are going nowWake up call coffee and juice

Remembering you

What happened to you?

I wonder if we'll meet again

Talk about life since then

Talk about why did it endYou make me feel like the one

Make me feel like the one

The one

You make me feel like the one

Make me feel like the one

The oneI don't know where we are going now

I don't know where we are going nowSo take a look at me now

So take a look at me now
So take a look at me now
So take a look at me now
So take a look at me now
So take a look at me now
So take a look at me now
So take a look at me now
