No Angels

Samantha Fish

Green-eyed baby
Drop dead queen
Aphrodite, high on amphetamines
Fill her tank
With Tanqueray
Watch her sweetness quickly slip away'Cause no there ain't (no there ain't)
No there ain't (no there ain't)
No there ain't no angels around here
Well, told me off
I needed to know
I lie to myself to keep you close
Some say blood
Might be a sign
But you wouldn't cut me, would you
Friend of mine?Woah, I said no there ain't (no there ain't)
No there ain't (no there ain't)
No there ain't no angels around here, well, well, oh, come onTwisted minds
And jealous hearts
I've been burying halos in the graveyards
And there you lie
Under the willow tree
Does it hurt you when you think how we used to be?
Oh, I said no there ain't (no there ain't)
No there ain't (no there ain't)
No there ain't no angels around here
Well, I said no there ain't (no there ain't)
No there ain't (no there ain't)
I said no there ain't no angels around here
Oh, oh, no there ain't no angels around here
I said no there ain't no angels around here
