

# Roses On My Grave

## Stonebreed

It feels like I'm looking at life  
Through a telescope because I'm so high  
And the ground never seemed so far away  
Truth shall be told one day

I'll be underground one dayI've got a woman that'll put roses on my grave  
I've got a woman that'll put roses on my grave  
Roses on my graveFeels like I'm looking at life  
Through a telescope because I'm so high  
And the ground never seemed so far away  
Truth shall be told one day

I'll be underground one dayI've got a woman that'll put roses on my grave  
I've got a woman that'll put roses on my grave  
I've got a woman that'll put roses on my grave  
Roses on my graveDon't forget me  
Don't forget me  
Please forgive me

Don't forget meIt's my redemption, time for redemption  
Time for redemption, it's my redemption  
It's my redemption, time for redemption  
Time for redemptionI'll see you on the other side  
I'm waiting on the other side  
I'll see you on the other side  
I'm waiting on the other side
