

Don't Go

JLS

From being days behind
Fast forward and rewind
I'm finding it hard to stand up
Now I'm facing my regret
I've got nothing left
I'm walking around in circles I don't wanna be alone
Don't leave me on this road
I'm just begging you Girl, I just called to let you know, oh, woah, oh
It's not over, no, it's not over, no
I wanna be the only one, oh, woah, oh
It's not over, no, it's not over, no
No, no, no, no, no, no
No, no, no, no, no, no Gonna tell you how I feel
I hope that if I'm real
You'll come back to me, yeah
Now I'm so afraid, I left it all too late
But won't you hear me now though? I don't wanna be alone
Don't leave me on this road
I'm begging you Girl, I just called to let you know, oh, woah, oh
It's not over, no, it's not over, no
I wanna be the only one, oh, woah, oh
It's not over, no, it's not over, no
No, no, no, no, no, no
No, no, no, no, no, no Just wanna be the only
The only one to hold you
Just wanna be the only, the only one
So I'm begging you, yeah Girl, I just called to let you know, oh, woah, oh
It's not over, no, it's not over, no
I wanna be the only one, oh, woah, oh
It's not over, no, it's not over, no Girl, I just called to let you know, oh, woah, oh
It's not over, no, it's not over, no
I wanna be the only one, oh, woah, oh
It's not over, no, it's not over, no
No, no, no, no, no, no
No, no, no, no, no, no
