

You're Nobody 'Til Somebody Loves You

Dinah Washington

You're a nobody till somebody loves you
You're nobody till somebody cares
You may be king, you may possess the world and its gold
But gold won't bring you happiness when you're growin' old

The world still is the same, you'll never change it
As sure as the stars shine above
You're nobody till somebody loves you
Find yourself somebody to love

You're a nobody till somebody loves you
You're nobody till somebody cares
You may be a king, you may possess the whole world and its gold
But gold won't bring you happiness when you're gettin' old

The world still is the same, you'll never change it
As sure as the stars shine above
You're nobody, nobody till somebody loves you
So find yourself somebody

Gotta get yourself somebody

Because you're nobody till somebody loves you
You're nobody till somebody cares
You may a king, you might possess the big fat world and its gold
But gold won't bring you happiness when you're growin' old

The world, the whole world's the same, you'll never change it change it
As sure as the stars shine above
You're a nobody till somebody loves you
So find yourself somebody somebody to love
