

Baby, Baby, Baby

Roomful Of Blues

Baby, baby, baby
You got me cryin' in my sleep
Baby, baby, baby
You got me cryin' in my sleep
Oh you let the other fellas
Steal your love away from me

Baby, baby, baby
I wake up callin' out your name
Baby, baby, baby
I wake up callin' out your name
Oh you got me so unhappy
And honey you're the one to blame

Let me tell ya 'bout it

I gave you time
I gave you love
I thought we went together like a hand in glove
You took my love
You took my time
And now you make me think you're tryin' to take my mind

Baby, baby, baby
Why don't you stop your evil ways?
Oh you're makin' me unhappy
You've got me cryin' night and day

Let me tell the story

I try to go
To sleep at night
But all I do is toss and turn till broad daylight
My pillow's wet
From cryin' tears
I feel a little better when your picture's near

Baby, baby, baby
I've got your picture in my arms
Oh, I'm givin' it my kisses

And my love until you come
But meanwhile

Baby, baby, baby
You got me cryin' in my sleep
Baby, baby, baby
You got me cryin' in my sleep
Oh you let the other fellas
Steal your love away from me
