

No Longer Umpire (Live At The Whisky)

[Alice Cooper](#)

We've been so caught up in the subject of personnel
Playing and acting, and slaving and bathing ourselves Who lies and who tries to come over everyone
Painting a picture to show everyone in the world Fearing is natural
New names and faces can bring
Build ups and barriers hiding behind everything Who lies and who tries to come over everyone
Painting a picture to show everyone in the world.
