Drive

Gavin Rossdale

Through the rain you come stones in the road
You're a champion from another world
Eat yourself fitter, better stay strong
You're the only one knows how to turn it on
Wash the stains away with alcohol
Reach my memory making virgin snow
I want to remember how it use to be
When I knew the sharks that were in my sea
Caught in a landslide
Feels the earth is not on my side
Caught in a landslide
Better get in my car and drive
There was once a house where my home used to be
Then a storm came took it all from me
And now the animals have been displaced
I don't know where they are, don't know if they are safe
Caught in a landslide
Feels the earth is not on my side
Caught in a landslide
Better get in my car and drive
Better get in my car and drive
Don't wanna be more dead than alive
She says, baby I don't wanna be more dead than alive
Alive, alive she said
Through the rain you come
Caught in a landslide
Feels the earth is not on my side
Caught in a landslide
Better get in my car and drive
Caught in a landslide
Caught in a landslide
Caught in a landslide
Caught in a landslide
