

# Drive

Gavin Rossdale

Through the rain you come stones in the road  
You're a champion from another world  
Eat yourself fitter, better stay strong  
You're the only one knows how to turn it on  
Wash the stains away with alcohol  
Reach my memory making virgin snow  
I want to remember how it use to be  
When I knew the sharks that were in my sea  
Caught in a landslide  
Feels the earth is not on my side  
Caught in a landslide  
Better get in my car and drive  
There was once a house where my home used to be  
Then a storm came took it all from me  
And now the animals have been displaced  
I don't know where they are, don't know if they are safe  
Caught in a landslide  
Feels the earth is not on my side  
Caught in a landslide  
Better get in my car and drive  
Better get in my car and drive  
Don't wanna be more dead than alive  
She says, baby I don't wanna be more dead than alive  
Alive, alive she said  
Through the rain you come  
Caught in a landslide  
Feels the earth is not on my side  
Caught in a landslide  
Better get in my car and drive  
Caught in a landslide  
Caught in a landslide  
Caught in a landslide  
Caught in a landslide
