Guinevere

Rick Wakeman

Love me my Guinevere
In my court, please be near
While our realm is dying
And brave knights are crying
Stay close by my sideLancelot felt no fear
Loved his king's Guinevere
All his love he gave her
Fought through quests to save her love
Showing the wayGuinevere
A golden tresses shining in the air
Spread against the Jasper SeaSorrow beheld her face
False love supplying grace
Knowing Arthur's fights
And his trusted knights
Meant more than his queenGuinevere
Golden tresses shining in the air
Spread against the Jasper SeaLove me my Guinevere
In my court, please be near
While our realm is dying
And brave knights are crying
Stay close by my sideGuinevere
Golden tresses shining in the air
Spread against the Jasper SeaGuinevere, Guinevere
Guinevere
