

Send Me On My Way

Rusted Root

On my way, on my way
On my way, on my way
On my way, on my way
On my way, on my way
On my way, on my way
On my way, on my way

I would like to reach out my hands
I may see you, I may tell you to run
(On my way)
(On my way)

You know what they say about the young
Well, pick me up with golden hand
I may see you, I may tell you to run
(On my way)
(On my way)

You know what they say about the young
I would like to hold my little hand
How we will run we will, how we will crawl we will?
I would like to hold my little hand
How we will run we will, how we will crawl?

Send me on my way
(On my way)
Send me on my way
(On my way)
Send me on my way
(On my way)
Send me on my way
(On my way)
Send me on my way
(On my way)
Send me on my way
(On my way)
Send me on my way
(On my way)
Send me on my way
(On my way)
Hmm hmm
(On my way)

I would like to reach out my hand
I may see you, I may tell you to run
(On my way)

On my way
I would like to reach out my hand
I may see you, I may tell you to run
(On my way)
(On my way)
You know what they say about the young
