

# Stranger In Paradise

**Tony Bennett**

Take my hand I'm a stranger in paradise  
All lost in a wonderland  
A stranger in paradise  
If I stand starry-eyed  
That's a danger in paradise  
For mortals who stand beside an angel like her I saw her face and I ascended  
Out of the commonplace into the rare  
Somewhere in space I hang suspended  
Until I know there's a chance that she cares Won't you answer this fervent prayer  
Of a stranger in paradise?  
Don't send me in dark despair  
From all that I hunger for But open your angel's arms  
To the strangers in paradise  
And tell us that we need be  
Strangers no more I saw her face and I ascended  
Out of the commonplace into the rare  
Somewhere in space I hang suspended  
Until I know there's a chance that she cares Won't you answer this fervent prayer  
Of a stranger in paradise?  
Don't send me in dark despair  
From all that I hunger for But open your angel's arms  
To the strangers in paradise  
And tell us that we need be  
Strangers no more
