

Is You

M2m

Is You

Sometimes when I think about it
I never really thought about it before
And most times when I think about it
It only leaves me wanting something more

Could it be I am mistaken

Could it be I am mislead

Maybe I am in need of something else

All I see

Is You, Kissing me so softly

Is You, Feeling so lovely

Holding my hand, kiss me again.

Is You, Looking out on me

Is You, Touching me so gently

All I see is you

And all I see is you

Well, what was not suppose to happen

Sure happen to you and me today

Well I promise myself not to feel

I feel anyway

Should I say I think you're not

Tell you that I love your eyes

I like you when you're hanging around me

All I see

Is You, Kissing me so softly

Is You, Feeling so lovely

Holding my hand, kiss me again.

Is You, Looking out on me

Is You, Touching me so gently

All I see is you

And all I see is you

I'm so in love with you (I'm so in love with you)

And I know we're the two*

And I think that its you (all I see, all I see)

All I see

Is You, Kissing me so softly

Is You, Feeling so lovely

Holding my hand, kiss me again.

Is You, Looking out on me
Is You, Touching me so gently
 All I see is you
 And all I see is you
Is You, Kissing me so softly
 Is You, Feeling so lovely
Holding my hand, kiss me again.
Is You, Looking out on me
Is You, Touching me so gently
 All I see is you
 And all I see is you
 I'm so in love with you
And I know we're the two*
 And I think that its you
 All I see, all I see
