

Great Companion

Landon Pigg

It's not that you've lost a friend
I just need some time to lick my wounds
I'll be out of service for a little while
I'm sure I'll be up and running soon
He's just an amateur these days
Not used to dealing with this pain
He's just an amateur these days
He never thought that he'd see a girl away
And our history will never be erased
You were a great companion
And some memories will never ever fade
So I love and so I hate
What we were, I never knew nor did you
That's exactly what you hated
For three years you were confused
And for three years my intentions left unstated
And our history can never be erased
You were a great companion
And some memories will never ever fade
So I love and so I hate
So this is the end
Of an innocent era, an innocent era
I didn't want you but I did
It's never wrong but it is
And our history can never be erased
You were a great companion
And some memories will never fade away
You were a great companion
And our history can never be erased
You were a great companion
And some memories will never ever, ever fade
