

# Follow You

## Geoff Moore & The Distance

And when the daylight dies  
You'll still be there when I close my eyes  
And I'll follow, follow You I walk into the midnight blue  
You light a torch and it cuts right through  
And I'll follow, follow You I see You on the boulevard  
Like a movie star on the cover  
And my heart beats like a drummer If I lose my way tonight  
I know it's gonna be alright  
'Cause I'll follow, follow You  
I'll follow You If I ever fall behind  
You'll be right there to show me a sign  
I can follow, follow You If you go away that's where I'll be  
A world without You is no place, no place for me  
I'm gonna follow You When I think of You and the things You say  
What You choose to keep and what You throw away  
I hear Your voice and I won't be afraid If I lose my way tonight  
I know it's gonna be alright  
'Cause I'll follow, follow You If I lose my way tonight  
I know it's gonna be alright  
'Cause I'll follow, follow You  
I'll follow You They say that I'm a fool to put my trust in You  
But don't you know my faith is all I have When I think of You and the things You say  
What You choose to keep and what You throw away  
I hear Your voice and I am not afraid If I lose my way tonight  
I know it's gonna be alright  
'Cause I'll follow, follow You If I lose my way tonight  
I know it's gonna be alright  
'Cause I'll follow, follow You  
I'll follow, follow You  
I'll follow You, I'll follow You
