

It's Me (lane To Lane)

Bone Crusher

Lil' Jon, Bone Crusher
Who the jumpin' from lane to lane?
Me me, it's me me
Who in the cutlass with the?
It's me me, it's me me
Who the jumpin' from lane to lane?
Ha-ha it's me, it's me me
Who in the cutlass with the?
It's me me, it's me me
Who knockin' out of they pud shoulder
They, luncin' on ham sandwich and munchos
Understand this, I come slow
Motion, knock down the ocean
This here is extra large figure
Cali-coes tech-nine, that's the trigger
We run these streets!
We descease!
Who the jumpin' from lane to lane?
Me me, it's me me
Who in the cutlass with the?
It's me me, it's me me
Who the jumpin' from lane to lane?
Ha-ha it's me, it's me me
Who in the cutlass with the?
It's me me, it's me me
Yeah I'ma ride till I can't ride, drink till I can't drink
Flow till I can't flow, blow till I can't blow
Yo' know when that white hit, I show no mercy
And I ain't Jesus but I'll bless you with that Hershey
It's some hot ones
'Cause they know they zippin' yo' body up when the cops come
If the blood don't speak in the streets, the shots will
And if this rap don't save me from the game, my death will
Who the jumpin' from lane to lane?
Me me, it's me me
Who in the cutlass with the?
It's me me, it's me me
Who the jumpin' from lane to lane?
Ha-ha it's me, it's me me

Who in the cutlass with the?
