

# Roll to Me

## Four Year Strong

Look around your world pretty baby  
Is it everything you hoped it'd be?  
The wrong guy, the wrong situation  
The right time to roll to meLook into your heart pretty baby  
Is it aching with some nameless need?  
Is there something wrong and you can't put your finger on it?  
Right then roll to meAnd I don't think I have ever seen a soul so in despair  
So if you want to talk the night through guess who will be there?So don't try to deny it pretty baby  
You've been down so long you can hardly see  
When the engines stalled and it won't stop raining  
It's the right time to roll to meIt's the right time to roll to me  
The right time to roll to me  
The right time to roll to meAnd I don't think I have ever seen a soul so in despair  
So if you want to talk the night through guess who will be there?So look around your world pretty baby  
Is it everything you hoped it'd be?  
The wrong guy, the wrong situation  
The right time to roll to me, to roll to me  
The right time to roll to me, ooh
