

I Worship You

Yodelice

Feel losing it again
I worship you
Worship you in vain Every street is called your name
I worship you
Worship you in vain I worship you
I worship you in vain
Can't lose track of your mind
I worship you
I worship you in vain Pray The Lord and go insane
I worship you
I worship you in vain
I worship you
I worship you in vain
I hear your voice again
I feel your breathe again
I worship you
I worship you in vain
God know why
