The Rover

Great White

I've been to London, seen seven wonders. I know to trip is just to fall I used to rock it, sometimes I'd roll it. I always knew what it was for. There can be no denyin' that the wind 'll shake 'em down And the flat world's flyin'. There's a new plague on the land If we could just join hands (X3) Traversed the planet when heaven sent me. I saw the kings who rule them all Still by the firelight and purple moonlight. I hear the rested rivers call And the wind is crying, from a love that won't grow cold My lover, she is lying, on the dark side of the globe If we could just join hands (X3) You got me rockin' when I ought to be a-rollin' Darlin', tell me, darlin', which way to go You keep me rockin', baby, then you keep me stolen Won't you tell me, darlin', which way to go... that's right Oh how I wonder, oh how I worry and I would dearly like to know I've all this wonder of earthly plunder will it leave us anything to show And our time is flyin' see the candle burnin' low Is the new world rising, from the shambles of the old If we could just join hands.
