I Don't Mind

Badfinger

Birds sing and doorbells ring in answer
People say it's a lovely day outside
I don't mind, I've got my way of living
Even if it's only for the rideI don't mind if people find me lazy
I could say it's only for the fun
Step inside and see if I can make you
After all it's only just begunYou don't know me, what's on my mind
You can't show me what I can't findDays, nights, alright, it's easy
Breaking time and making rhymes for you
I don't mind, I've got my way of giving
Even if it's all I ever doStep inside and see if I can make you
Even if it's only for the rideYou don't know me, what's on my mind
You can't show me what I can't find
