

# Slave Called Shiver

## Porcupine Tree

[Written by Steven Wilson] I need you more than you can know  
And if I hurt myself it's just for show  
I found a better way to curb the pain  
You put a trigger here inside my brain Mother I need her  
I'm falling apart  
Mother I need her  
And it's only the start I may be nothing now but I will rise  
I'll have more followers than Jesus Christ
