

Burning Down the House (feat. The Cardigans)

Tom Jones

Fightin' fire with fire Watch out you might get what you're after
Cool babies strange but not a stranger
I'm an ordinary guy
Burning down the house Hold tight, wait till the party's over
Hold tight, we're in for nasty weather
There has got to be a way
Burning down the house Here's your ticket pack your bags
Time for jumpin' overboard the transportation is here
Close enough but not too far
Maybe you know where you are fightin' fire with fire All wet hey you might need a raincoat
Shakedown dreams walking in broad daylight
Three hundred sixty five degrees
Burning down the house It was once upon a place sometimes I listen to myself
Gonna come in first place
People on their way to work baby what did you expect
Gonna burst into flame Fightin' fire with fire
Fightin' fire with fire
Burning down the house My house's out of the ordinary
That's right don't wanna to hurt nobody
Some things sure can sweep me off my feet
Burning down the house Watch out you might get what you're after
Cool babies strange but not a stranger
I'm an ordinary guy
(Burning down the house)
Three hundred sixty five degrees burning down the house Fightin' fire with fire
Fightin' fire with fire
Gonna burst into flame
Fightin' fire with fire
Fightin' fire with fire
Gonna burst into flame
(Burnin' down the house)
My house
(Burnin' down the house) No visible means of support and you have not seen nothin' yet
Everything's stuck together
I don't know what you expect staring into your TV set
Fighting fire with fire Burning down the house
Burning down the house
