

# Ghost In The Radio

## Josh Tarp and The Still

You arrived with good intentions  
And you never meant to leave  
I handed you my secrets  
And you wore them on your sleeve  
Truth is I'm a stepping stone  
On your way to greater things There's a ghost in the radio  
That keeps in on repeat  
There's a demon in the bottle  
Trying to drag me to my knees  
And I can't afford to fall apart  
Every time we meet  
Oh, there's a ghost after me I got vengeance on my mind  
And anger in my chest  
All my skeletons have eyes  
And they're shaking their fists  
Truth is I'm done telling myself  
I'm a man without regrets There's a ghost in the radio  
That keeps in on repeat  
There's a demon in the bottle  
Trying to drag me to my knees  
And I can't afford to fall apart  
Every time we meet  
Oh, there's a ghost after me I've got the devil on my trail  
And his hounds have caught my scent  
And I beg the angel Gabriel  
For a quick and painless death  
Truth is I'll be running  
Til the good Lord takes me in There's a ghost in the radio  
That keeps in on repeat  
There's a demon in the bottle  
Trying to drag me to my knees  
And I can't afford to fall apart  
Every time we meet  
Oh, there's a ghost There's a ghost in the radio  
That keeps in on repeat  
There's a demon in the bottle  
Trying to drag me to my knees  
And I can't afford to fall apart  
Every time we meet

Oh, there's a ghost after me
