Trick Trick

Welcome to motherfuckin' Detroit God damn it
Wonder Boy, shitYeah yeah
Tricky
Let's show 'em some love
Welcome to DetroitWhere's my gangstas and all my thugs
Throw them hands up and show some love
And I Welcome you to Detroit City
I said Welcome to Detroit City
Every place, everywhere we go
Man we deep everywhere we roll
Ask around and they all know Tricky
Ask what's good man they all say TrickyClick click boom, just as soon as we hit the room
You can hear 'em holla Goon Sqwad in this bitch
Let me hear you holla Goon Sqwad in this bitch
Let me hear you holla Runyon Ave. in this bitch
So who am I gonna call on when I ain't got them boys with me
And the situation gets a little sticky
I'ma dial 911 like a motherfuckin' punk, fuck that, bla bla
I'mma call that rude boy from Detroit, Trick Trick
Quick come pick me up, bring them guns
Come to the club, meet me out front
There's some chump up in this bitch
Poppin' some junk cause he's drunk
And we may have to fuck his ass up
Cause uh, somethin' smells a lil' fishy
And I don't like the way his boys keep lookin' at me
So homie come get me, Wonder Boys what up doe I see you
Rock Bottom, yeah I see you, all my Detroit people
Where you at man, let me see them hands in the sky
Detroit motherfuckers 'till we dieWhere's my gangstas and all my thugs
Throw them hands up and show some love
And I Welcome you to Detroit City
I said Welcome to Detroit City
Every place, everywhere we go
Man we deep everywhere we roll
Ask around and they all know Tricky
Ask what's good man they all say TrickyHomie it's been a long time comin' and I'm straight with that
Marshall done called me to 54 and laced the track
This beat, you hear it bangin', he produced it himself

My bad, almost forgot to introduce myself
My name is Trick Trick, head of the Goon Sqwad
And gangsta been bangin' the underground since '95, we're bangin'
Elected to be the villain and certified a menace
Holdin' it down since I paroled up outta prison
You heard about me, you just didn't know it was me
All the treacherous, evil deeds of the D you never see
Pickin' that kid up in the game, I just wasn't chasin' the fame
I been chasin' the paper product and givin' lames the pain
Accusations of violence you know you done heard of that
Spent a quarter of a million dollars for beatin' a murder rap
Wonder Boy holdin' me up, Shady done put it out
Trick Trick and Eminem, Detroit back in the houseWhere's my gangstas and all my thugs
Throw them hands up and show some love
And I Welcome you to Detroit City
I said Welcome to Detroit City
Every place, everywhere we go
Man we deep everywhere we roll
Ask around and they all know Tricky
Ask what's good man they all say TrickyAyo Em, you ever need one of these weapons come get it
From now on every beef that you get in, homie I'm in it
I been ridin' for this city, whether wrong or right
I been whippin' on motherfuckers for the longest time
So it's evident, it's time for Trick to get it fast
The public, see they appreciate my criminal past
Authorities tried to stop me but they couldn't keep up
Got a fan-base that's bigger then an average star
I'm satisfied with it bein' my time to shine
And I freak from the precinct for violent crimes
I ain't sayin' the shit that I'm sayin' so girls can feel me
Only speakin' on what I know so the world can hear me
So peace to Jimmy and Dre for signin' my nigga
He reached back to Detroit and grabbed a winner
So the gangstas and thugs, we embrace with love
And beat the hell outta anybody that fucks with usWhere's my gangstas and all my thugs
Throw them hands up and show some love
And I Welcome you to Detroit City
I said Welcome to Detroit City
Every place, everywhere we go
Man we deep everywhere we roll
Ask around and they all know Tricky
Ask what's good man they all say TrickyYeah, Trick Trick
Eminem, Wonder Boy, Shady
It's goin' down baby
Ayo Em, I got your back my nigga

Damn right I said my nigga
That's my nigga
Tricky
